RE: *Chmil v. County of Nassau, et al.*  
17-CV-05459 (JS)(AKT)

Dear Judge Tomlinson:

As per Your Honor's Order dated November 28, 2017, I am writing to advise the Court of the status of the service of our pleading in connection with the above referenced matter.

Unfortunately, on September 20, 2017, the date that the Summonses were issued, my paralegal had left early, did not see the bounce, and then was out sick until the following Monday. Although she calendared the date for the initial conference upon her return, she inadvertently failed to schedule service of the Summonses and Complaint.

On Tuesday November 28, 2017, after receiving Your Honor's latest Order, my office immediately contacted the process servers to check on the status of the service only to learn, and realize, that my office had failed, again inadvertently, to forward the Summonses and Complaint for service.

Today, my paralegal contacted the process server and was informed that service will be effectuated tomorrow.

Respectfully,

/s/ abm
